Change to Upper School Textbooks and Book Bundles

Previously, students in grades 7-12 were responsible for purchasing their own book bundles, and students in grades 10-12 were responsible for the purchase of all textbooks. For the 2023-2024 academic year, these book bundles and textbooks will be purchased by Trinity Academy; therefore, the family will not need to purchase these materials. At the end of the academic year, consumables (workbooks or those books with annotations) will be the property of the student, while textbooks will remain the property of Trinity Academy. The purchase of all other learning materials (e.g., school supplies) remains the responsibility of the student/family.

Payment Options - You may select from the following three payment options for the 2023-2024 year:

- 1. Pay in Full with a 2% discount** - Total family tuition and fees, less the 2% discount, **must be received along with the signed re-enrollment contract by Monday, February 27, 2023**. Otherwise, the 2% discount will be forfeited. Payment is made directly to the school.
- 2. Two Pay Plan** – Total family tuition and fees are divided by two. The **first payment must be received along with the signed re-enrollment contract by Monday, February 27, 2023**. The second payment is due on or before August 1, 2023 and will be billed through Veracross in July 2023.
- 3. Ten-Month Payment Plan through VERACROSS** – Trinity will use the Veracross payment program for this option. A \$400 payment fee is added to the total family tuition and fees, and this number is divided by 10. **The first monthly payment (paid directly to the school) must be received along with the signed re-enrollment contract by Monday, February 27, 2023.** The remaining nine monthly payments will be drafted on the 5th of each month beginning on April 5, 2023. Automatic draft is required through Veracross; you will be contacted with details and instructions in order to complete the Veracross payment agreement. NOTE: If you enroll or re-enroll your student(s) after April 2023 the number of payments is reduced to ensure that all tuition and fees are paid in full before re-enrollment in February 2024.
