

8th Grade Optional Literature Book Bundle

If you would like your student to have their own copy of the paperback textbooks we will use in English class this year, you can use [this link](#) to indicate your desire to purchase the bundle for \$40 (billed through FACTS), and we will provide them a copy of the paperbacks with each unit. The benefit of this optional purchase is that your student can annotate and underline in his/her copy; we highly recommend purchasing this bundle, however, this is not required. If you do not buy these books, Trinity will provide a copy of each text and some sticky notes to your child.

(Trinity does not make money off these bundles. We are simply providing this service to our families because we believe it's best for our students to have their own copy of each book, and we want the children to all have the same version/page numbers as we read together.)
